The L385 is a wireless all-in-one with integrated ink system, ideal for busy homes looking to cut their printing costs. Thanks to the integrated high-capacity ink tanks, ink is supplied continuously to the printer, so there are no cartridges to replace; you simply top up the tanks with Epson ink bottles and keep on printing.

TARGET MARKET AND POSITIONING

The L385 wireless all in one comes with up to 2 years of ink¹, allowing users to print up to 4,000 pages in black² and 6,500 pages in colour². It is primarily aimed at home users who want high-volume, high-quality, hassle-free printing, giving them the freedom to print whenever it suits them. With the L385 users can maximize convenience, savings, quality and reliability all with one incredible printer.

PRINTING FREEDOM

For one upfront price, the Epson EcoTank printers come with enough ink in the box to print for up to 2 years¹, so you can print 4000 pages in black² and 6500 pages in colour² without worrying about ongoing ink replacement and costs.

HIGH-VOLUME INK BOTTLES

Additional low-cost ink can be bought in convenient high-volume bottles that have a drip-free nozzle and resealable cap for easy storage and refilling. Replacement bottles hold enough ink for a massive 4,500 pages in black² and 7,500 pages in colour².

NEVER CHANGE AN INK CARTRIDGE AGAIN

The L385 features a revolutionary, integrated high-capacity ink tank system, offering an unbeatable combination of convenience and value.

In 3 easy steps users get printing freedom. All they have to do is fill or refill the tanks, set up their printer and then print without concern, week after week, month after month.

EVERYDAY PERFORMANCE

Simple wireless connectivity.

The L385 supports the latest wireless standard, 802.11b/g/n³, providing your users with greater coverage and faster speeds. With EPSON Wireless setup, they can easily connect to their wireless network via their router. They can use their EcoTank printer from anywhere in their home and share it with multiple PCs.

EASY

The L385 is ideal for everyday projects with quick setup. It boasts user friendly control panel buttons making printing of documents, reports, assignments and recipes so much easier for the family whether at home or on the go.

Scan and copy, PC-free

Get high-quality colour or black-and-white copies in a snap.

PEACE OF MIND

The Epson EcoTank range is backed by a 1 year Return-to-Base warranty.

Users can receive an additional 1 year bonus warranty when they register online⁴ at www.epson.co.nz/register_product/ within 30 days of purchase giving your user peace of mind for a total of 2 years.

1. 2 years' of ink based upon user's average monthly print volume (TNS Research – June 2013)
2. Quoted yields/CPP are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC24712. Quoted yields/CPP are NOT based on ISO/IEC24711. Quoted yields/CPP may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature
3. Wi-Fi CERTIFIED™, level of performance subject to the range of the router being used.
4. 12 months of standard Return to Base warranty. For an additional 12 months (total of 24 months), www.epson.co.nz/register_product/ within 30 days of purchase.
